GO 4 CHAMPIONS

A TICKET FOR OUR CHAMPIONS!

We have to take action for our athletes today, if we want them to win medals in the future!

Support our talented young athletes and top competitors with 'Go4Champions'

Members of the Ski Club Arlberg have already won 83 medals at FIS World Championships and Winter Olympic Games. But that is no reason to rest on our laurels!

The Ski Club Arlberg looks after more than 150 children throughout the Arlberg region in its New School and Alpine Skiing programs. Thanks to the support of our members in the form of membership fees, we are able to offer our children and youngsters a comprehensive training program. Although the Ski Club Arlberg has many members, unfortunately it is not free to use the resulting revenue as it pleases. Almost half of our membership fees have to be passed on directly to the Austrian ski federations. These are important payments used by the ski federations for insurance and to support national and regional training squads. Nevertheless, it is money that is no longer available for us to use to support our talented young athletes in their sporting and personal development and to lay the foundations for international success.

We would like to be able to further assist our athletes as they progress into the regional and national squads. The time for DREAMING is over – your support can help make DREAMS COME TRUE.
