

Hut Rules

- Open the second entrance door and turn on the **MAIN POWER SWITCH**.
- Please do not enter the **LIVING AREA** of the hut with street shoes.
- Open the **WINDSHUTTERS** if necessary.
- We ask you to bring a **SLEEPING BAG** and your own pillow if needed.
- Should you wish to have blankets and pillows, this is gladly possible with advance notice and against payment of a fee of € 10,- per bed and stay. Please bring your own bed linen.
- We ask you to use **ELECTRICITY** sparingly, as it is generated by a solar system.
- The SCA hut also has a **BOILER**.

HEATING

Tiled stove

1. With the tiled stove you can heat the dining room and the bedroom.
 2. To heat the tiled stove:
 - open the air hole at the bottom
 - light the fire with small wood
 3. When the tiled stove is well heated, add two wood briquettes at the most.
 4. After about 2 hours, close the bottom air door on the tiled stove.
- If you follow points 2 to 4, embers and heat will remain until the next morning.

Kitchen stove

1. To heat the kitchen stove:
 - open the air hole at the bottom
 - light the fire with small wood
2. When the kitchen stove is well heated, add a maximum of two more wood briquettes.
3. After about 2 hours, close the bottom air door on the kitchen stove.

We ask you to use the available wood sparingly and not to use it for barbecuing/for campfires!

KITCHEN

The kitchen of the SCA hut is fully equipped (cooking pots, dishes, cutlery, filter coffee maker, spices, ...).

We ask you to bring the following things yourself:

- kitchen towels
- garbage bags (We kindly ask you to take the garbage back with you!)
- cleaning rags and detergents

CLEANING

We ask you before your departure:

- To leave the bedrooms as you wish to find them.
- To carefully pour the ashes from the tiled stove and the kitchen stove into the metal bucket provided (in the anteroom).
- To clean the kitchen, the dishes, the glasses and the kitchen stove with a cleaning rag and detergent.
- To clean the restroom and washroom with a cleaning rag and detergent.
- To clean the kitchen, common room and exits with a vacuum cleaner and then wipe with water.

DEPARTURE

- Close all wind shutters and windows again upon departure.
- Turn off the main power switch.
- Close both doors well again.

We ask you to follow the hut rules so that the guest after you will also feel comfortable at the SCA hut.
