Welcome

Dear racers, trainers, organisers and guests,

On behalf of the Ski Club Arlberg, we would like to welcome you to both of the women's FIS slalom races, which are to be held in St. Anton am Arlberg on the 08th and 09th of March 2024.

The Ski Club Arlberg, established in 1901, is one of the oldest and best known ski clubs in the Alps. With 9,016 members originating from some 57 countries it is also the largest ski club in Europe. The Ski Club's members include royalty and many celebrities. Many world champions and Olympic champions have emerged from the club's ranks. Further, throughout its long history, the Ski Club Arlberg has been responsible for numerous impulses and milestones in both alpine sport and tourism in the Arlberg region.

After holding a FIS race in the last year, we are very pleased to be able to hold these FIS ski races this year.

Many thanks go to all sponsors and supporters, without whom it would be impossible to hold this event. And of course, many thanks too go to all the volunteers for their untiring efforts.

We wish all the competitors, trainers, organisers and spectators two very exciting, enjoyable and accident-free race days in St. Anton am Arlberg!

The Organising Committee

We would like to thank our sponsors and partners
